February 5 2010

Dear ASCE Fellows,

Greetings from the ASCE-TWIG officers! The ASCE-TWIG would like to invite you, as one of the 12 ASCE Fellows who are currently residing in Taiwan, to a dinner party to meet each other for the first time and to share in the exciting new developments in ASCE-TWIG. As we plan to move toward the milestone of becoming a "Section", it is our wish to recognize all the ASCE fellows and we would also like to ask you to serve on the Advisory Board. The dinner party will be held at the Grand Hotel at 6:00 p.m. on Friday, April 2, 2010. Since the group is growing steadily each year, we hope to get you involved in the group activities and contributing your experience and wisdom. This invitation can also be found on our website at <http://asce-twig.iaries.net/>. Please visit our website to learn more about the group at your convenience.

Please reserve your date and return/fax the bottom portion to us so that we can prepare your seat. We are also proud to announce the special guest on that day – Professor Jun Shang Kuang from the Hong Kong University of Science and Technology who has earned the T.K. Hsieh Award of ICE (Institution of Civil Engineers, UK) in 2006 and the HKIE Transaction Prize in 2007. A meeting like this does not come often. It gives us the chance to meet each other and share the vision of our group for the future. Please give the invitation the first priority in your busy schedule and have a reunion with our ASCE officers and fellows. It is the ASCE's intention to help local groups to grow not only in size but in quality of service as well. The local group will need an advisory board to be strong. With your proactive participation we firmly believe that the ASCE Headquarters will invest more in our local group. Please kindly offer your support and suggestions to our officers either through e-mail or phone calls. Let us hear your ideas and what you have in mind. We look forward to hearing from you.

Sincerely,

President
ASCE-TWIG
